

NEWSLETTER 2024

In January the Branch received £240 from Kildale Marine from the sale of our Christmas Cards and Calendars. Then, in April, the Branch organised a store collection in Morrisons Anlaby store which raised just over £500. In July the Co-op in Hessle Square hosted a Saturday morning collection which raised £174. October saw another 2 store collections -firstly a 2 day collection at ASDA's Hessle Road store which raised over £750 and then a collection at Tesco's Hall Road site in Hull produced another excellent total of £432. November saw the second Annual Autumn Fair held since the COVID Pandemic, which was well supported and raised £1295 for the work of the RNLI. Finally in **December** the Branch received some £486 from the Skidby Lakes Seniors Golf Club having chosen the RNLI as their charity of the year During the rest of the year other monies were raised through our collection boxes, individual donations, and Betty's Jam Pots. The gross amount raised during the year for the RNLI totalled £8092 compared with £11905 in 2022.

AWARDS 2024

The Branch is very pleased to announce that **Joy Toogood, Sue Jordan, and Christine Pictor** have been awarded their **20 year service medal/badge** by the RNLI. Many congratulations to all three.

On 4th March 2024 a national service of thanksgiving was held at Westminster Abbey to celebrate the 200th anniversary of the foundation of the Royal National Lifeboat Institution. Originally called the National Institution for the Preservation of Life from Shipwreck (name changed in 1854)the organisation was founded by Sir William Hillary, author and plilanthropist, based in Douglas on the Isle of Man..Through the publication of his 'Appeal to the Nation' in 1823 he appealed to the Government,the navy and prominent Victorians to help form a national institution to preserve lives and property from shipwreck.

Initially money was found through wealthy individuals and it was the latter part of the 19^{th} century that the RNLI benefitted from the wider support of the public and especially after the first Street collection in Manchester in 1891 which raised more than £5000 in support of the families of the 27 crew lost from the Southport and St Annes lifeboats in going to the aid of the barque Mexico.Other services will be held around the country to mark this historic millestone including York Minster on 20^{th} April.Today the mission to provide a 24 hour search and rescue service up to 100 nautical miles around the coasts of the United Kingdom and Ireland is carried out through 238 Lifeboat Stations operating over 440 all weather and inshore boats.It costs around £180 million to operate all the activities of the RNLI.
